

Sullivan Medallions

Betty Jo Martin and Paul Eggum were awarded Sullivan Medallions as the outstanding members of the 1956 graduating class. Betty Jo is the third consecutive journalism coed to win this award.

Betty Martin, Paul Eggum Receive Sullivan Awards

By L. B. POWERS

Betty Jo Martin of Lexington and Paul Eggum of Corbin are this year's recipients of the Sullivan Medallions.

The plaques are presented annually at UK and 14 other colleges and universities in the South to the outstanding members of the graduating class. They are awarded in memory of Algernon Sydney Sullivan, who had been a New York attorney.

The medallions were presented by President H. L. Donovan Monday night at the Honors Day program. Another medallion will be presented at Commencement, Monday, May 28, to an outstanding citizen of Kentucky.

Miss Martin, journalism major, is a graduate of University High School. She is president of Mortar Board, senior women's honorary; vice president of Chi Omega sorority; and SGA secretary. She is a past president of Cwens, women's sophomore honorary, and a former secretary of Panhellenic.

She was selected as the outstanding sophomore woman in 1954. She is a member of the Leadership Cabinet, the Women's Administrative Council,

Links, and Theta Sigma Phi, women's journalism honorary.

Betty Jo is the third consecutive journalism coed to win the Sullivan Medallion. The award was presented to Elaine Moore in 1954 and to Ann O'Rourke in 1955.

Eggum is president of Omicron Delta Kappa, national leadership organization, and chairman of the SGA judiciary committee. He is past president of Delta Tau Delta fraternity. He is a member of Phi Eta Sigma honorary and has served as IFC representative and Students Party representative.

Eggum was recently selected for membership in Phi Beta Kappa, national scholarship honorary. He has been a holder of the Alumni Loyalty Scholarship for the past four years.

A graduate of Benham High School, he plans to enroll at Northwestern University Medical School in September.

Approximately 180 other students were recognized for outstanding academic achievements during the program. Dr. Edwin E. Mims, emeritus professor of English at Vanderbilt University, was the principal speaker.

Three Winners Named In Play Writing Contest

The winning plays in the Guignol Players' one-act play writing contest are being presented this week in the Laboratory Theatre of the Fine Arts Building. Curtain time is at 8:30 p.m.

The winners of the contest are Jim Barrickman, Don Lennartson and Blanche Bushong. Six plays were entered in the contest and the board of judges, Dr. W. Black, Dr. J. H. Adler, and Dr. J. L. Cutler, awarded the \$25 first prize to Barrickman for his play "The Decision." The play concerns a young man, running from a lynch mob, who must decide between losing his own life or that of his mother.

Don Lennartson's "Everyman and the Golden Cat", a modern adaptation of the medieval morality drama, "Everyman," and Miss Bushong's "Whatsoever House," dealing with mercy killing are the other winning plays.

"Whatsoever House" was presented Thursday night and "Everyman and the Golden Cat" will be held tonight.

The winning play, "The Decision", will be presented Saturday at 8:30 p.m.

"The Decision" will be directed by Dudley Saunders. Saunders has directed Jean-Paul Sartre's "No Exit" and George Bernard Shaw's "Heartbreak House." Don Lennartson will direct his own play, "Whatsoever House" will be directed by David Withers.

The cast of the three plays includes:

Joe Ray, Alec Murphy, Lucy Moberly, Nancy Niles, Linsay Nunn, Barbara Anderson, Huett Tonlin, Betty Jackson, Jackie Mundell, Kent Gravett, John Veltri.

Vicki Arrington, Dan Dargherty, Tom Marston, Bobby Tice, Ronnie Boyd, Mike Turpen and Suzanne Shively.

Norma Jean Brandenburg Crowned May Day Queen

Norma Jean Brandenburg, representing Kappa Delta, was crowned May Day Queen by Dr. Rhea Taylor, Suky advisor, at the annual May Day Dance last Saturday.

(Lexington Herald Photo)

Norma Jean was selected from seven finalists in the contest.

Trophies were also awarded for the best floats in the Parade Saturday afternoon.

Chi Omega won first place in the sorority division of the float contest with "Confetti." Alpha Delta Pi placed second with "Wind Song".

First place in the fraternity division went to Delta Tau Delta with "Tigress". The second place trophy went to Kappa Sigma with "Blue Hour".

Twenty-six floats from fraternities, sororities and independent organizations were entered in the contest.

Float decorations were judged on the basis of neatness, originality, beauty, appropriateness to the title, and durability. The theme of the contest was "Perfumes".

Construction Bids Received On Women's Residence Hall

Gilson Construction Co., 757 E. 3rd St., submitted a low bid of \$999,600 for erection of a new women's residence hall, to be located on the corner of Limestone Street and the Avenue of Champions.

Contract for construction of the new building has not yet been awarded, Comptroller George Kavanaugh said today, but he indicated the contract would be let sometime in the very near future. Under state law, the University has thirty days to consider applications from the date the bidding was first opened. Bids were opened on May 10.

Other firms from whom the University received bids and the amount of their bids include the Hargett Construction Co., \$1,017,900 and the Switzer Willing Construction Co., \$1,034,520. Final

awarding of the contract will be made by the State Property and Buildings Commission, in cooperation with the University of Kentucky.

Bids were opened after the Washington office of the Housing and Home Finance Agency gave final approval Tuesday to a \$1,131,000 loan application from the University for construction of the dormitory.

Construction of the new dormitory, to be named Holmes Hall, is expected to begin as soon as the contract is awarded, and is scheduled to be completed within 15 months, in time for occupancy by September 1957.

Holmes Hall will be built on the corner of Limestone and Euclid Ave. The new building will house 296 girls.

The Kentucky KERNEL

Vol. XLVII University of Kentucky, Lexington, Ky., Friday, May 18, 1956

No. 27

1956 Kyian Has Arrived; Distribution Starts Tuesday

The first shipment of 1956 Kentuckians arrived last Wednesday. A total of 2,000 Kentuckians—about four tons of books—are expected by the end of the week.

Distribution of the Kentuckians will begin Tuesday, May 22, in rooms 114 and 115 of the Journalism Building, Perry Ashley, yearbook editor, said.

Ashley said that the Kentuckian will be distributed daily beginning 10-12 a.m. and 2-4 p.m. Tuesday through Friday.

Graduating seniors must have their graduation fee receipts and ID cards when they come to pick up the Kentuckian. Those persons who purchased the yearbook during the advanced sales will need the sale receipt and their ID card.

The new Kentuckian incorporates several features that have not appeared in UK yearbooks before, the Kentuckian editor said.

For the first time, a full-color illustration has been used on the cover of the book. The cover is a reproduction of a color slide of Memorial Hall taken by Don Lennartson.

Color has also been added to the inside pages of the Kentuckian. About 40 pages, including the Queen section, the campus building section, and the division pages are printed in two colors.

Fraternities and sororities have a section of the Kentuckian devoted to informal pictures under the title of "Greek Gamboling," Ashley said that this is the first

time that the Kentuckian has given space to these organizations without charge.

The new Kentuckian also includes pictures of over-all campus activities such as registration, buildings, the leadership conference and Homecoming. There is a two page spread on life in the men and women's residence halls. The pages of the sports section are illustrated with cartoons.

Ashley said that the 1956 Kentuckian is the second largest ever published at UK. It contains 368 pages. The largest, published in 1954, contained 416 pages.

A 16 page supplement covering activities such as Honors Day and Commencement, which came too late to be included in the Kentuckian, will be published during the summer semester. The cost of these supplements is included in the original price of the Kentuckian.

Ashley said that when the yearbook is picked up, each person should address an envelope to his permanent address and the supplement will be mailed to him. Envelopes will be available in the Journalism office.

Classes Dismissed

All University classes will be dismissed from 9:00 a.m. to 12:00 noon on Monday, May 28, in order that students and teachers may attend commencement exercises. Offices will not be closed generally but staff members who desire to go to the graduation program will be permitted to do so. It is hoped that many members of the staff will want to attend the program, beginning at 10:00 a.m. in Memorial Coliseum.

—H. L. Donovan, President

Library Has New Foyer Displays

There are two displays in the foyer of the Margaret I. Kling Library. One of Architectural Photography of Houses and one of the Department of Library Science.

The architectural display consists of a group of interesting interior photographs taken from a book by Robert C. Cleveland. The book, the first of its kind, gives techniques and examples of good home interior and exterior photography. The display and the book itself should be of interest not only to photographers, but to home owners and builders as well. The pictures show a wide variety of home decoration.

Cleveland, a West Coast photographer, displays his work in the nation's top professional and consumer magazines.

The display was made up by Dr. W. M. Moore's photography class. The Library Science display explains the summer work shop for future bookmobile and public librarians. The workshop will be July 9-27.

Kernel Kutie

Luscious Judy Ruffner of Chi Omega is this week's Kernel Kutie. She was just recently chosen as the band sponsor for the coming year. Judy, you can pick up your orchid any time at the Lexington Flower Shop just opposite the Good Samaritan Hospital.

Kentuckian Time

Examining the many new features of the 1956 Kentuckian are Phillis Rogers, Perry Ashley, Kentuckian editor, and Rosalie Redding. The most striking new innovation to the recipients of the book will be the use of color on the cover and inside. (See story on page 1.)

Watterson Press Club Names New Chairman

Bill Hammons, Louisville, was selected temporary chairman of the Henry Watterson Press Club at a meeting held at 4 p.m. Monday, May 14, in room 211 of the Enoch Graham Journalism Building.

The meeting was attended by men students in journalism interested in taking part in journalism projects on the campus.

The group voted to change the charter of the club to include freshman and sophomore students.

Marney Beard, editor of the Kernel, presided over the meeting until the selection of Hammons as chairman. Also present at the meeting were representatives of the Kernel, the Kentuckian, Sigma Delta Chi, and the faculty.

Dr. Niel Plummer, director of the School of Journalism, gave a brief talk on the need for making the club an active organization. Dr. Plummer said that the student publications need more and better trained staffs. The possibility of a daily Kernel in the near future will require staffs capable of carrying out this project and the Watterson Press Club can help provide these needed people, Dr. Plummer said.

The purpose of the Henry Watterson Press Club as stated in its constitution is to afford men journalism students an opportunity for mutual association in a professional journalism society; to further an interest in journalism and to promote a high professional standard of work among its members.

The Press Club, formerly an organization for upper division journalism students, voted to pledge only freshmen and sophomores in the future, but to allow students to remain in the organization for four years if they so desire.

New freshmen and sophomore members of the club, who will form the nucleus of the group for the coming school year include, in addition to Hammons, Robert Stevens, Pete Perlman, Curney Norman, Norman McMullin, Kenneth Robinson, and Tom Young.

Hays Receives Wall Street Award

George J. Hays, Glendale, a senior in the College of Commerce, was presented with the annual Wall Street Journal Student Achievement Award Monday by Dr. C. C. Carpenter, dean of the College.

The award, which consists of a specially designed silver medal and a year's subscription to the Wall Street Journal, is given each year to the student with the highest average grade who has taken the college's course in investments.

ROTC Awards Day To Be May 26

Army ROTC Awards Day ceremonies are to be held May 26 on the parade ground, Capt. John M. Walton, associate professor of Military Science said.

Capt. Walton said the exercises will begin at 9 a.m. and the ROTC band will play for the review.

Awards to be presented are:

The Rotary Club Plaque, to the student who, by a vote of his fellow students was chosen "outstanding in citizenship." The Herald-Leader Trophy, to the student elected the best rifle marksman. The Col. George D. Freeman Trophy, to the best company.

The Combat Forces Association Medal will be awarded the Military Science IV student "who contributes most to Military Science activities." A pair of lieutenant bars will be presented the Military Science IV student for "outstanding proficiency in Military Science," by the Reserve Officers Association.

Farm Fire Loss Set At \$7,000

Loss from the fire which completely destroyed a tobacco barn on the UK Experiment Station Farm Sunday night was estimated today at approximately \$7,000 by the Comptroller's Office.

Of this amount, \$3,900 was covered by insurance carried by the University on the building, which had been recently converted from a three-bent tobacco barn to a warehouse containing forage-drying equipment that had just been placed in operation.

The blaze was first reported at 6:56 p.m., and by the time firemen inched their way through heavy traffic, the building was beginning to collapse when they reached the scene.

Most of the firefighting efforts were devoted to saving a much larger tobacco barn located next to the burning building. The fire, which had threatened to spread to the larger barn and another barn about 100 yards from the burning structure, was finally brought under control by the firemen without further damage.

The barn itself was a total loss.

Library Schedule

The Margaret I. King Library has announced its schedule for the period between final examinations and the summer semester.

The library will be closed during Commencement, May 28. It will remain open during the Baccalaureate Services.

The schedule for the period from June 1 to June 13 is:

Friday, June 1 — 8 a.m. to 10 p.m.; Saturday, June 2 — 8 a.m. to 3 p.m.; Sunday, June 3 — closed; Monday, June 4-Friday, June 8 — 8:30 a.m. to 4 p.m.; Saturday, June 9 — 8:30 a.m. to noon; Sunday, June 10 — closed; Monday, June 11-Tuesday, June 12 — 8:30 a.m. to 4 p.m.; Wednesday, June 13 — resume regular schedule.

"Wilderness Road" Names Leading Lady

Annette Hunt of the Barter Theatre, Virginia, has been chosen leading lady in Paul Green's outdoor drama "Wilderness Road" at Berea.

A veteran stage, radio and television performer, she will portray Squire Sim's daughter, the girl

who was torn between her love for two brothers, John and David, Yankee and Confederate. This is the second season for "Wilderness Road", which last summer played to more than sixty thousand people.

On Campus with Max Shulman

(Author of "Barefoot Boy With Cheek," etc.)

TILL WE MEET AGAIN

I always find myself yawning hugely when a comedian, having finished his act, steps out in front of the curtain, takes off his putty nose, assumes a sincere stance, and delivers an oration full of tender and lofty sentiments.

So how come I'm doing precisely the same thing right now?

Two reasons. First, because I couldn't possibly make you laugh at this time of the year; cramming for finals has left you wan, woebegone, and in no mood for innocent merriment.

Second, because this is the last column of the current series, and I'd be a liar if I didn't admit I was just a tiny bit choked up.

It was two years ago that the makers of Philip Morris asked me to write this column. My first impulse, frankly, was to say no. Though I am a man who likes a dollar as well as the next fellow, my talents just do not seem to lead me in the direction of writing advertising copy. When called upon to rhapsodize about soap or socks or cigarettes, I get to giggling uncontrollably and have to be helped home.

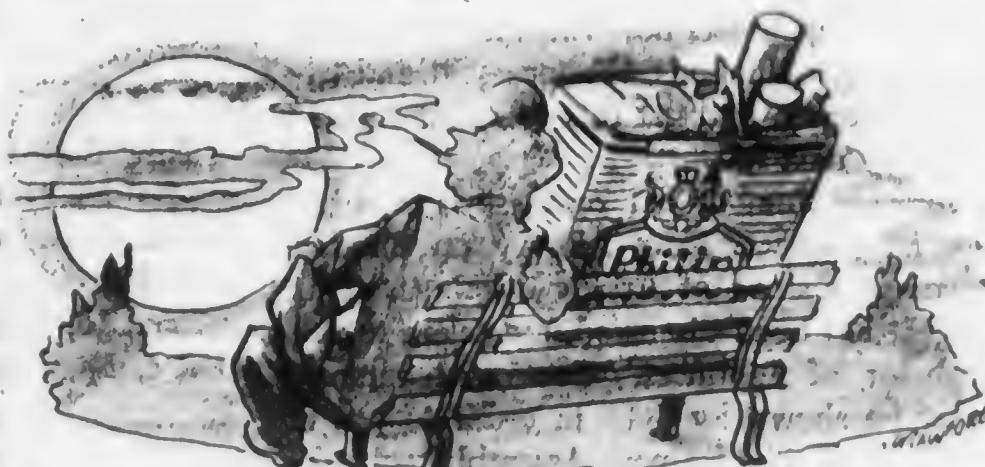

"Buddies," said I to the makers of Philip Morris, "I smoke Philip Morris myself, and I think it's a jim-dandy cigarette. But that's all I think it is — a cigarette. Not a graven image. Not a love object. Just a smoke. I'm afraid I can't get reverent enough to write ad copy for you."

To my astonishment, they seemed delighted. "Reverence is not required," said the people at Philip Morris. They assured me that I would not be required to write fulsome commercials — that I could rib the cigarette and the company all I liked — that my columns would be mine alone, with no editing, no suggestions, and no supervision.

"Hah!" I said by way of reply.

But they kept insisting and finally, my thin breast full of misgivings, I went to work.

For the first few weeks they were scrupulously true to their words. Not one syllable, not one comma, was ever changed; not one quarter-ounce of pressure was ever exerted. But my doubts were not laid to rest. "When will the honeymoon be over?" I kept asking myself.

...the honeymoon is still going on

The answer, gentle readers, is that the honeymoon is still going on. This finishes my second year for Philip Morris. During that time, though I'm sure my copy caused an occasional conniption fit in the boardroom, my *carte blanche* has remained as *blanche* as the day it was issued. Whatever I've perpetrated in this column has been, as they guaranteed, mine alone.

They've been living dolls, the makers of Philip Morris, and I think I may be forgiven for getting a trifle misty. And as long as the stops are out, let me say that it's also been a big charge writing for you, the college population of America. Your response has warmed my old heart, and on the occasions when I've visited your campuses, it's been deeply gratifying to see that you're still as pleasantly disorganized as ever. I figure that as long as the likes of you exist, I'm in business.

So, for now, goodbye. Stay well. Stay happy. Stay loose.

©Max Shulman, 1956

Old Max has said it all. We, the makers of Philip Morris, can only add a heartfelt second chorus: Stay well. Stay happy. Stay loose.

ATTENTION JUNIORS, SOPHOMORES AND FRESHMEN!

NEED A JOB??

Students who are returning to UK next year, and who are interested in becoming campus insurance representatives and after graduation selling insurance, should investigate this opportunity at once. Training can be taken in spare time in Louisville or Lexington this summer. Insure your future with a good job . . .

A Scholarly Suggestion

Although the Spring semester is rapidly drawing to a close, now would seem to be the appropriate time for the Library Committee to consider the possibility of leaving the library open on Sunday night.

In all probability no change in the library schedule can be accomplished in the time remaining this semester. However, the Library Committee, which is an advisory group composed of faculty members, should give some thought to the problem at their Tuesday night meeting with a view towards next year.

The alternative suggested by the committee, when SGA first submitted the idea of leaving the library open on Sunday night, was to, if this plan were adopted, close it on Friday night instead. If this is the only feasible solution, then it would still seem to be an improvement. But the question arises, is this alternative necessary?

Admittedly if the library were to be left open on both Friday and Sunday night, an additional appropriation would have to be made to take care of the extra help which would be required. But since the University just had its budget approved as submitted to the state legislature for the first time in UK's 91 years of existence, it would appear that some of this extra money could be used for such a worthy project as this.

One of the arguments advanced for leaving the library open on Friday and not Sunday is that it aids in preventing UK from becoming a "snitcase school". Proponents of this theory claim that by giving students a place to study on Friday night, many of them would stay on the campus over the weekend to take advantage of this opportunity. But it would seem as if this purpose

were being defeated by closing the library on Sunday. The vast majority of students who wish to go home over the weekend are continuing to do so regardless of whether the library is open on Friday or not. But if the library were to be opened on Sunday, these students would at least be provided with an incentive for returning to the campus early Sunday, rather than late Sunday night, or Monday morning.

Ideally students should do their homework for the coming week before Sunday night. But this condition does not exist. There always have been, and there always will be, many who put off this homework until the last minute. Since this situation, while possibly not to be commended, does exist, University officials should look at the problem realistically, rather than gazing at it through rose-colored glasses and trying to establish an untrue picture.

The Library Committee will take no definite action on the problem Tuesday, since the final authority lies in the hands of the library staff itself, headed by Dr. Lawrence S. Thompson, subject, of course, to the approval of the University. Dr. Thompson has publicly stated that he is in favor of a Student Library Committee being formed to act in an advisory capacity, much as the Faculty Library Committee does.

If interested students would take appropriate steps to form such a committee, and if the faculty committee were to take a firm stand and submit a recommendation that the library be left open on Sunday night, even if only on a trial basis at first, this would at least be a step forward towards the realization of the suggested change.

A Challenge For SGA

The retiring Student Government Association has left many challenges for the incoming SGA. Throughout this past year SGA has accomplished a number of its goals and solved many student and campus problems.

However, there is much unfinished business which needs to be carried through.

Revising the old constitution has been the main project of the outgoing Assembly. It has been discussed, hashed over, and is ready for last minute organization and a final vote. This out-dated constitution has been a weak link in the Assembly for many years. It is now up to the new Assembly to forget their party affiliations, the incessant and trivial bickering, and get this constitution into effect by next fall.

Another item of old business is opening the Margaret I. King Library on Sunday evenings instead of Friday evenings. This project has been discussed and taken to the Director of Libraries. Continued interest must be shown by SGA in order to put it into effect. It's the new Assembly's obligation to push this!

The improvement of the Avenue of Champions and other streets near the University has been another project this past year. Continued interest and pressure must be applied if this measure is to be completed.

Two jam sessions have been tried at the Wildcat. They have been at the request of the students and have proved successful. However, these jam sessions must be continued in order to give them a fair trial.

Beef sessions have proved their worth this year. The true desires and complaints of the students have been discovered through these sessions. Will they be carried on next year?

Most of all party affiliations must not destroy the unity of SGA. As in the past, this must be forgotten by these new representatives.

Remember these points and reread the party platforms which were printed in the Kernel. It is up to you to see that SGA faces these challenges and is truly the voice and power of the student body.

An obnoxious person is one who tries to get his name in print. A more obnoxious person is one who, after succeeding, shows the odious item to all and sundry.

A person who campaigns to be a student leader should realize that a broad mouth and a broad mind are often inconsistent.

Now that the furor over the Cooperstown prices has somewhat died down, another question concerning housing arises. What facilities are to be provided for the expected 16,000 students that will pervade the UK campus by 1965?

LITTLE MAN ON CAMPUS

by Dick Bibler

Back Talk

More High Rents

Dear Editor:

I'm writing in regard to last week's "High Rent?" letter. I don't care to present a detailed argument against it. But I would like to ask our "anonymous" friend a couple of questions.

If apartments in town are "scarce as hen's teeth and high as a cat's back," as the letter stated, then have the people who have lived in Shawneetown and Cooperstown over the past ten years done so from "bad taste" or from necessity?

Also if the apartments in town are now high what effect will the University's charging \$62.50 for one room and kitchenette and \$72.50 for two rooms and kitchenette have on town prices? Start looking next fall and you will see.

Signed unhesitatingly,
 Al Brooks

Armed Forces Day

Tomorrow, May 19, the nation will mark its seventh observance of the annual Armed Forces Day. Those critics who scoff at such a show of patriotism should be reminded of the Russian May Day celebration where thousands of tanks, planes, and instruments of war of all shapes and sizes are paraded down the main streets of the major cities of many of the Soviet satellite countries.

These Russian displays of military might are for the sole purpose of impressing these already-cowed satellites with the tremendous potentiality of the Russian power juggernaut, whereas the American demonstrations, performed by members of one of the few remaining free countries in the world, serve to remind the American people that to remain free, you must remain vigilant.

Congratulations

The Kernel congratulates Paul Eggum and Betty Jo Martin, recipients of the highest individual award given by the University to members of the graduating class.

The Sullivan Medallions, presented to Miss Martin and Eggum at the annual Honors Day function Monday night, signify outstanding leadership and scholarship. Their award is equivalent to recognition of the recipients as outstanding examples of a college student.

Throughout their college careers, Miss Martin and Eggum have demonstrated those characteristics for which they were honored by the selection committee.

Short Shifts

The street behind the Home Economics Building has been repaired. But there is still no sign of improvement on the Avenue of Champions, commonly known as the "cowpath".

What ever happened to the idea of including the cost of the annual in the tuition fee? What student wouldn't like to see the cost of the "Kentuckian" cut in half?

Speech Awards

Winners of the speech contest sponsored by Patterson Literary Society recently are shown being congratulated by J. Reid Sterrett, faculty advisor. Left to right are Dudley Herron, second prize; James Dundon, third prize; and Charles English, first prize.

Barf

By ELLIS EASTERLY

(Editor's note. Because of unfortunate circumstances last week which rendered the Barf editor incapable of putting out his column, his farewell message comes now seven days after those of his fellow henchmen on the Kernel staff.)

The Barfshop is closing its doors. First of all, he would like to say that if he slammed the engineers too much—it was only because they're worthless. And if Stylus took it on the chin more than they deserved—it was only because they're a group of frustrated Steinbecks.

Like the Old Proprietor last week, he'll miss a lot of things. He views campus activities with their mid-afternoon meetings as something that almost got him fired from his job several times. Like the Old Proprietor, he'll miss his four-year, fraternity stay. In fact, he already misses several pairs of socks, a quantity of shirts, and innumerable bars of soap and tubes of toothpaste.

He views his sleepless Wednesday nights putting out the Kernel as the most rewarding experiences he'll ever run across. He'll miss his fellow journalists.

He'll miss throwing darts at

Crawford. He'll miss calling Billiter a slob. He'll miss chopping Hornback's column to ribbons with a copy pencil. He'll miss making Preston leap with a four-foot magazine holder. He'll miss Crawford, Billiter, Hornback, and Preston.

He will always hold dear the many fine friends who came in obnoxiously drunk and woke him up in the middle of the night. He reverences his associations with other fine fraternity men who pitch him so nonchalantly into their showers. He'll miss the outstanding professors he has been exposed to for much too long a time.

And finally, he views the University of Kentucky as a great institution. His most cherished memories will be of the hour when he got his diploma.

In short, time has run out on the Barf editor. He's jubilant.

The Barfshop is closing its doors. Sob!!

McVey Hall, a plain four-story brick building was erected in 1928 and named in honor of Dr. Frank L. McVey.

The Stoll Athletic Field contains a concrete stadium seating 10,500.

Paraway Farm, the home of Man O' War, is owned by Samuel Riddle.

New Column Outlined

Goodbye Workshop! Goodbye Mr. Hornback! Hello you soon-to-be enlightened young readers. Boo, you would-be literary critics.

The Kernel is filled with new blood. The new staff is ready to go. And this year—not one, but two columns!

This column is for you. We will fight your battles, carry your burdens, and laugh at your jokes. Above all, in every situation, we will strive to be fair and just. Although we are moody, temperamental, sometimes happy, sad, poetic, or dull, we always enjoy a worthwhile crusade.

Be not surprised at what you find here. We may blast the administration, write a poem, explain a do-it-yourself, or miss the Kernel deadline. Indeed, our interests are so varied, we have not yet found a title broad enough for this column.

We will strive for improvement where improvement is needed. We will criticize, but we will also praise. Your honest criticisms of this column will not only be accepted, but appreciated. As for you self-appointed critics who hope to raise your literary ego by blindly criticizing anything you read, save your time and paper. You will only burden our janitors.

Although the above may seem lippant or sarcastic, we are deeply sincere. We have given you some idea of the aim of this column. Basically we wish to help the student. If you, the student, will give your cooperation, suggestions, criticisms, and problems, this column will give you its readership.

The College of Agriculture and Mechanical Arts was established in 1866.

Former Kernel Staffer Has 'Fascinating' Job

Want to meet famous people, have a 'fascinating' job? Then turn to Journalism. Such might well be the advice of Debbie Schwarz, 1955 UK Journalism graduate and former Kernel managing editor.

In an air-conditioned office overlooking the 6,000 acre estate of the Greenbriar, world-famed luxury resort in White Sulphur Springs, West Virginia, Debbie helps to handle news and publicity releases to daily papers all over the nation.

In a recent letter to Dr. William Moore, one of her former UK professors, Debbie described her work as 'exciting and fulfilling in many ways.' The work is hard, she said.

DEBBIE SCHWARZ

but the compensations make up for that.

Since taking her job with the Greenbriar last July, she has met many celebrities, among them Debbie and Eddie Fisher, when they stayed in the hotel on their honeymoon. She also saw George Gobel and Steve Allen during their visits to the Greenbriar.

The most exciting event in the course of her work was President Eisenhower's visit. While the President was there, Debbie spent most of her time in the improvised press room, watching the work of the press and publicity representatives.

As a part of her work, Debbie does publicity for the Junior Woman's Club, the Red Cross Drive, the Cancer Fund, and helps to publish the Bratshut, a hotel newsletter. She has often had to write five or six releases in an afternoon for release to the papers.

Never let it be said that we scribbles don't have excitement—just take a look at our prize example. And to Debbie: Good going, gal!

Obnoxious Writer

By DAVE STEWART

Next week there will appear on this page a new column. The column is as yet unnamed.

If it wasn't for the obnoxious new feature editor the column would appear this week.

This column will be about almost anything the writer wishes to write about, but the main purpose will be to glamorize college life. It is my belief that students would enjoy college life more if they stopped to realize how well off they really are.

The secret—they're SYNCHRO-DYNED!

They're called the sweetest playing clubs in the book, and for good reason. Spalding's exclusive SYNCHRO-DYNED® club process, a scientifically exact system of weight coordination, gives each club in the set the identical swing and "contact feel" to help groove your swing.

And this new Bobby Jones set is as handsome as they come. The irons feature an exclusive tough alloy steel with a glistening high-polish finish that lasts season after season.

If you're interested in whittling strokes off your game (and who isn't?) see and swing the 1956 Bobby Jones SYNCHRO-DYNED clubs at your Spalding dealer's.

PLAY SPALDING CLUBS AND BALLS—golf's most winning combination.

The University of Kentucky Experiment Station Farm covers 600 acres.

In addition to giving instruction to its student body, the University contributes to the Welfare of the state through research, experimentation and public service.

Ten national sororities have chapter houses on the campus accommodating approximately 250 students in residence.

Phi Sigma Iota To Initiate New Members

Phi Sigma Iota will meet in Miller Hall on May 22 to initiate four new members.

The students who will be initiated are Betty V. Combs, College of Education; Gwynneth M. Gibson, College of Arts and Sciences; Carolyn Graham, College of Arts and Sciences; and Marilyn E. Jones, College of Arts and Sciences.

Whitehall was the birthplace and former home of Cassius M. Clay, abolitionist editor.

The funds for erecting Memorial Hall were given by the citizens of the state.

The University of Kentucky began as a part of Kentucky University under a cooperative plan by the legislature in 1865.

The campus at the University of Kentucky covers 106 acres.

Russell Cave is one of the great winding caverns.

The Botanical Gardens was first begun in 1931 to preserve specimens of all the native plants of Kentucky.

The Student Union Building was built in 1933 to foster all phases of social life and recreation for students.

Maxwell Place is the private home of the president of the University.

Kentucky became the fifteenth state of the Union, June 1, 1792.

Take Problem To SGA

The Student Government Association is interested in hearing from you, the students of the University. SGA can do nothing unless they know the problems and wishes of the student body.

If you have any suggestions or complaints to offer, contact Jane Marvin Brock, 476 Rose Street, telephone number 2-3557.

OPEN 7 DAYS A WEEK

Social Whirlwind Sweeps Campus

According to convention, a calm usually precedes the storm but being completely unconventional, UK students are gathering rosebuds these last weeks before they are swept up and scattered into the never-never land of the library by Hurricane Finals.

The velocity began to heighten when Poppa John and Clyde Trask blew into town last Friday for the SAE dinner-dance held at the Phoenix Hotel. The Continental Room was the scene and with two bands, we would say that Minerva's sons were about as continental as you can be.

The air was scented by multi-perfumes last Saturday. Confetti few and natives beat their bongo drums as the Chi Omegas and the Delts breezed into first place in the May Day Parade. The Alpha Delta Pi's were runners-up for the sororities with "Wind Song" and second place in the frat division was taken by the Kappa Sig's "Blue Hour." The whirlwind subsided with the May Day dance held at the SUB. Congratulations are in order to Norma Jean Brandenburg, Kappa Delta, who was crowned queen of the May festival.

The Phi Taus set sail from Cincinnati Saturday night on the good ship Chaparrone, where they held their Spring formal. Sue Jackson, Tri Delt, reigned as queen. Several honors were handed out to Bob Monarch, best active; John Ball, best pledge; Ray Hornback, best active athlete; Ronnie Moorman, best pledge athlete and Bill Young, best active scholar.

A slight lull has surrounded the campus for the past few days but the social whirlwind threatens to rise again tonight as the Sigma Nu's throng into their garden for their Spring formal. If the Euclid Street boys are obviously inconspicuous today, it's due to the fact that they are dancing around their fish pond, frantically performing that ancient ritual, "Rain, Rain, Go Away." May the gods be with you.

The Kappas will set out early tomorrow for the Coach House where they will honor the seniors with a breakfast.

The whirlwind isn't the only thing rising around here tomorrow night. So, boys dig out those Confederate uniforms and girls unpack those hoop skirts 'cause the South is going to do a little rising at the KA Old South Ball. Here's hoping that you Southern gentlemen return from the Phoenix avec la flag.

"Over the hills and through the

Commencement Seats

Graduating seniors are allowed four reserved seats for the Commencement exercises. These tickets may be picked up on Thursday and Friday, May 17 and 18 at the Dean of Women's office, Room 204, Administration Building. Any seats left over will be available the morning of Commencement.

woods, to Cumberland Falls we go." So sing the Delts as they leave tomorrow for their big weekend at Cumberland Falls State Park which includes their spring dance.

From where I am sitting, it looks like the pre-finals gale has subsided for now so I'll follow suit. But before I go, don't ignore the storm warnings that are piling up for the twenty-eighth. Better begin now boarding up the windows and nailing down the roof for from all reports received this gust is capable of unrepairable damage.

Take heed to the old proverb that an ounce of study is worth a pound of cheat notes.

Want A Summer Job?

A part of a group of seventy students from the Men's Residence Halls who attended a meeting held Monday in the Donovan Hall Cafeteria on the subject of "Summer Jobs." It was sponsored by the YMCA.

AFROTC Positions Filled By Juniors

In keeping with AFROTC policy in training as many students as possible in various positions, slots on the wing staff, and group and squadron command positions have been filled by junior ROTC students, Maj. Robert T. Palmer, associate professor of Air Science, said.

Maj. Palmer said the wing commander and deputy commander posts are still filled by seniors—Cadet Col. Phillip M. Lee as commander and Cadet Lt. Col. James T. Myers, deputy commander.

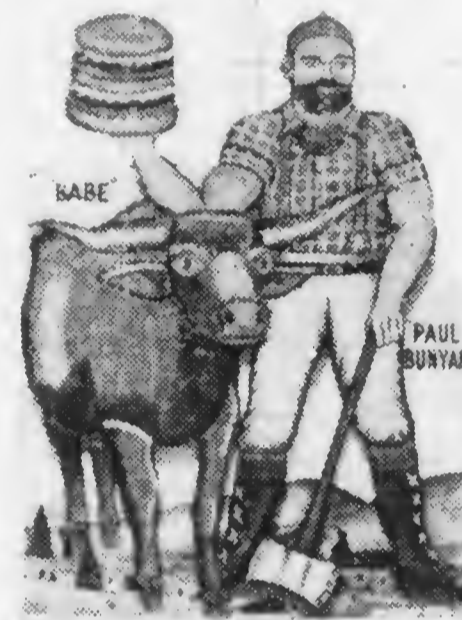

Group I officers are Cadet Capt. James D. Kittinger, commander; Cadet 1st Lt. Jay V. Paxton, deputy commander; Cadet 1st Lt. William M. Mitchell, Squadron A commander; Cadet 1st Lt. Robert M. Monarch, Squadron B commander.

Group II officers: Cadet Capt. Larry G. Mason, commander; Cadet 1st Lt. William E. Withers, deputy commander; Cadet 1st Lt. Dan C. Woodward, Squadron C commander; Cadet 1st Lt. Charles

E. Harris, Squadron D commander, commander; Cadet 1st Lt. Luther P. House, Squadron F commander. One-half of all the Southdown sheep raised in the United States are raised in Kentucky.

Campus Newman Club Plans New Building

The Newman Club has launched a drive for \$100,000 to build a Newman Club Catholic center next spring. The center will be located on South Limestone Street, across from the girls dorm.

The lease on the building which is now being used for the Newman Club Chapel will expire next May. There are now 550 Catholic students at UK, and 900 are expected by 1960. A new building is necessary to accommodate these students.

The center will be a home-away-from-home and will include a chapel, recreation hall, library, living quarters for the chaplain, a cafeteria, classrooms, and an office where the chaplain may counsel students, instruct converts, and give marriage instructions.

Newman Club members are taking contribution pledges among students. A group of UK graduates and former Newman Club members, headed by Vincent Spagnuolo, are working with alumni to raise the needed funds. Other members of the group are Mrs. J. C. Woods, Mrs. Paul Weisbrodt, Mrs. Stoy Witten, Mrs. Vincent Spagnuolo and John Swift.

SGA Installs New Officers

Nina Vann and Harry Connelly were elected secretary and treasurer respectively of the Student Government Association Monday. The new officers and representatives of the Assembly were installed at this meeting by Paul Eggen, retiring chairman of the Judiciary Committee.

Religious Notes

Newman Club

The Newman Club is planning a picnic for Sunday, May 20, at Natural Bridge. Transportation will be provided. Cars will leave at 12 noon from the SUB.

Masses will be said at 10 a.m. and 11:30 a.m. Sunday in the Newman Chapel, at the corner of Lexington Ave. and College View. After each mass, there will be a blessing of ears.

Confessions will be heard at 4 p.m. Saturday, May 19, in the chapel.

The club's last regular meeting of the school year will be held at 7:30 p.m. Tuesday, May 22, in the Social Room of the SUB.

Communion is distributed from 7 a.m. to 8 a.m. Monday through Saturday, at the Newman Chapel.

Wesley Foundation

Wesley Foundation and the Westminster Fellowship will have a joint picnic Saturday, May 19, at Natural Bridge. Members will leave at 12:30 p.m. from the Wesley Student Center, 151 E. Maxwell Street.

Vesper services will be held at Blue Grass Park Sunday, May 20. Wesley members will meet at 5:30 p.m. at the Student Center to go to the park.

Disciple Student Fellowship

The Disciple Student Fellowship will have a workday Saturday, May 19, at Merriweather Lodge. After the work is done, a farewell party will be given for the senior DSP members.

Noonday devotions are held from 12 noon to 12:15 p.m. Monday through Friday in Room 127, SUB.

Westminster Fellowship

The Westminster Fellowship will have a supper at 5:30 p.m. Sunday, May 20, at the Westminster House, 178 E. Maxwell Street. The Rev. Thorton Tucker, minister of the Meadowthorpe Presbyterian Church, will speak on "Campus Life and the Home Church."

B'Nai Brith Hillel

B'Nai Brith Hillel will have a picnic Sunday, May 20, at the Reservoir on Richmond Road. Everyone attending is asked to meet at Jewell Hall at 2 p.m. A skit, "Memories," will be presented by members and will represent each of the Jewish holidays throughout the year.

This is the last get-together of Hillel this year and all members are urged to attend.

Canterbury Fellowship

Canterbury Fellowship is planning a picnic Sunday, May 20, at Kamp Kennedy on Herrington Lake. The group and their dates will leave at 2 p.m. from the Canterbury House, 472 Rose St. Each member is asked to bring their own picnic lunch.

Holy Communion will be celebrated at 7 a.m. Wednesday, May 23, at the Canterbury House.

Baptist Student Union

Baptist Student Union members will leave at 1:30 p.m. Saturday, May 19, for a senior party at Indian Ford, Berea. The group will have a weiner roast and go mountain climbing. They will return to the BSU Center at 8 p.m. where copies of the BSU yearbook, "AZUWUR," will be distributed.

King's Hour will begin at 7:30 p.m. Friday, May 18, at the center. Children from the Lee Street Mission will be in charge of the program.

Today is the last day of the clean-up campaign at the BSU. The center must be put in order for summer students.

Ohio has more sheep per square mile than any other state.

The Southdown breed of sheep first came to the United States from England in 1803.

LIME AND MAXWELL

The Horror Scope

By DAVE STEWART

ARIES (March 21 to April 19): Today is your day for good health. Sunbathing should be included in your activities. For best results go outdoors, but be sure to wrap up well for you may catch cold.

TAURUS (April 20 to May 20): Rest and leisure are best for you today. Cut down on your daily activity. Stop and enjoy life. If you don't read Life, try Look or Colliers.

GEMINI (May 21 to June 21): Much of your day should be spent on personal appearance. Upon arising eat a hasty breakfast, take a shower, brush and comb your hair, brush your teeth, then go back to bed because rest is the best tonic for good looks.

CANCER (June 22 to July 21): Now is the time to catch up on your studies. Spend your day in seclusion. Concentrate very deeply. Be sure to wear a light-blue sport shirt with one pocket, dark-blue "Ivy League" slacks, blue and white socks, and blue suede shoes.

LEO (July 22 to Aug. 21): You can make advances now. Take advantage of all opportunities offered you. Playing marbles is inadvisable, however, though it may be your only offer.

VIRGO (Aug. 22 to Sept. 22): Opportunity presents itself to you today. This is your day to rise to new heights. To insure this try a plane ride or mountain climb.

LIBRA (Sept. 23 to Oct. 22): A romantic day is in store for you. You should get a date, go out, and have fun. If you go to the drive-in be sure to take a car.

SCORPIO (Oct. 23 to Nov. 21): Vigorous activity is your best bet today. Expel as much energy as possible. Stimulating games such as tiddly-winks, checkers, or parcheesi should be enough to keep you on the run.

SAGITTARIUS (Nov. 22 to Dec. 21): Stay in as much as possible. When it is necessary to go out try not to be conspicuous. Wear green

socks with your red bermudas.

CAPRICORN (Dec. 22 to Jan. 20): You will have a tough time eating today if you don't follow his advice: Try using a knife and fork.

AQUARIUS (Jan. 21 to Feb. 19): Today is your day for alertness. Be sure to open the door when going from room to room or your day could be disastrous.

PISCES (Feb. 20 to March 20): Avoid travel today. When travel is necessary, go by train and wear black undergarments.

McFarlan Obtains Half Ton Of Fossil At Hopkinsville

On a trip to Hopkinsville last week Dr. Arthur C. McFarlan, head of the Department of Geology, obtained 1000 pounds of fossil material to exchange with other universities. Frank Walker and Lois Campbell accompanied him.

The fossil material will be exchanged with Rochester University, the University of California, and Hanover College.

In exchange for the fossil material sent to them, the universities will send fossil specimens to UK that are not available in this section of the country.

Jam Session

SGA representatives have announced that there will be a jam session at the Wildcat today from 3-5 p.m. Duke Madison will provide the music.

Book On Barker To Be Published

"Henry Siles Barker: A Selection of Speeches and Other Writings by the Second President of the University of Kentucky," a book written by Prof. E. L. Gillis, a UK figure since 1907, will be published by the UK Press on May 25.

The book contains an introduction by Prof. Gillis and a foreword by President Herman L. Donovan. The introduction presents a biography of Judge Barker and relates events which occurred during the six years he was president of the University.

The remainder of the book is filled with selections of addresses and articles related to Judge Barker's association with the University, together with extracts from miscellaneous opinions and speeches.

Prof. Gillis was born in Anderson County in 1867. He was appointed an instructor in education at UK in 1907, and became registrar in 1910. In 1937 he was named to his present position as director of the Bureau of Source Materials in Higher Education.

Block And Bridle To Hold Horse Show

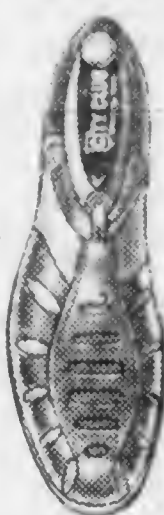

The Block and Bridle annual horse show will be held at 1 p.m. Saturday, May 19, at the Lexington Trotting Track. The admission is free and the show will include 14 classes of horses.

The show is open to all who wish to compete. Entries have already been received from people from all over the Bluegrass. The show will be divided into three main groups.

"ARE YOU IN STEP?"

asks ANNE FRANCIS co-starred in MGM's "FORBIDDEN PLANET" in CinemaScope and Color

The girl in your life, like Anne, dresses properly for each occasion. And she expects you to be in step, too, with shoes like:

City Club style T771 for leisure "off hours"

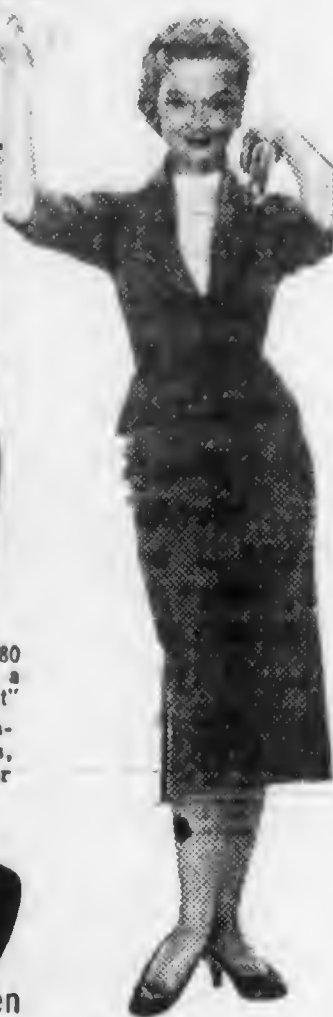

City Club style 8462 for class and business

City Club style 84680 when you're a "dressed-up knight"

Choose your 3-pair shoe wardrobe from these and hundreds of other smart City Club styles at your dealer's, from \$8.95 to \$18.95. Also ask to see Wesboro shoes for young men, from \$7.95 to \$9.95.

City Club
by Peters distinctive shoes for men
as advertised in ESQUIRE

boy, did she
SPEAK UP,
when we did
the MAMBO!

It may be a treat to beat your feet on the Mississippi mud, but it's murder when you mambo in a beat-up tux.

I still remember the exact moment when I decided to buy an After Six. It was right after the third grunt in a rather lively mambo. She looked up at me with those baby-blue eyes and softly murmured, "Some datel! All day long, I slave over a hot biology text. Finally get to go for me! and I wind up with a guy dressed like a 1920 mortician."

That was the night I burned my old tux. Now, I've got a cool, comfortable After Six.

Mambo or Minuet, I'm ready! Try on a lightweight After Six and see for yourself.

UK Roundtable To Present Two Program Radio Series

Two programs in the series of "Influence on Western Civilization" will be presented on the UK Roundtable over WHAS and WBKY during the next two weeks.

The first program "The Influence of the Protestant Reformation on Western Civilization," is scheduled for 9:30 p.m. Friday, May 18, on WHAS.

Panelists for this program include Robert G. Lunde, associate professor of history at UK; the Rev. James W. Angell, pastor of the Second Presbyterian Church, Lexington; the Rt. Rev. William R. Moody, bishop of the Lexington Diocese, Episcopal Church, and Dr.

Howard E. Short, professor of church history at the College of the Bible.

The second program, "The Influence of the Roman Catholic Church on Western Civilization," will be presented at 9:30 p.m. Friday, May 25, by WHAS.

Participants include the Rev. Elmer Grosser, rector of St. Pious Seminary, Covington; the Rev. John F. Murphy, president of Villa Madonna College, Covington; Sister Margaret Gertrude, president of Nazareth College, Louisville; and Dr. Carl Cone, associate professor of history at UK.

Education Professor To Retire This Year

Mrs. May K. Duncan, professor of elementary education at the University of Kentucky, is retiring this year. Mrs. Duncan, who has been at the University for 36 years, will assume a change of work status September 1.

For her outstanding work in the field of elementary education, Mrs. Duncan was presented a silver tray last week by Kappa Delta Pi, national education honorary.

Some of Mrs. Duncan's accomplishments include the establishment of the first UK curriculum for elementary teachers, establishment of the first elementary laboratory school, and establishment of the first library in a public elementary school in Kentucky.

Mrs. Duncan is recognized in "Who's Who in America," "Who's Who in the Southeast," "Who's Who in American Women," and "Who's Who in Kentucky."

She is a member of Kappa Delta Pi, Pi Lambda Theta, Kentucky Education Association, National Education Association, American Association of University Professors, National Council of Teachers of English and the International Association for the Improvement of Reading.

In 1925 Mrs. Duncan came to the University of Kentucky to serve as a special instructor in elementary education.

From 1930 to 1936 she was head of the University School. She became head of the University of Kentucky Department of Elementary Education, in the College of Education, and full professor of elementary education in 1932.

Much To Do About Little

There will be a picnic for all graduate students of history and their families at the Castelwood Barn at 5 p.m. May 20.

A "neighborhood meeting" of the YWCA will be held tomorrow at Berea College. The theme of the meeting is "The Task of YWCA."

Members of the community "Y", the Y-Teens, and the student WCA will be delegates to the meeting.

Twenty-three geology students will go on a field trip to Colorado this summer. It is an annual summer trip sponsored by the Department of Geology.

Dr. Arthur C. McFarlan, head of the Department of Geology, will leave for Colorado on June 1. Dr. Irving S. Fisher, assistant professor of geology, will join him on June 9.

Geology scholarships and awards have been announced by the Department of Geology.

William Thomas received a UK scholarship; Gary McCreary got a Sohio petroleum scholarship, Mitchell Rutledge got the departmental award—the G. W. Pirtle fellowship, and the Sigma Gamma Epsilon award went to Sam Boggs Jr.

Eight Air Force ROTC cadets have been awarded the AFROTC rifle team badge. Maj. Robert T. Palmer, associate professor of Air Science, said.

In order to qualify for the award the cadets must have participated as members of the rifle team for one year.

The cadets given the award are James Stidham, James Grant, Charles Wilson, William Kinkead, Darrell Rogers, William Rees, Chesley Lain, and Bertram Siegel.

Dean Elvis J. Stahr, Jr., College of Law, has returned from Denver, Col. where he was a member of a group invited by the Air Force to inspect the new Air Force Academy.

Dean Elvis J. Stahr, Jr., College of Law, was the guest speaker at the commencement exercises of the Ballard Memorial High School Thursday night. Dean Stahr will make the commencement address at Hickman High School, tonight.

Dr. Statle Erikson, dean of the School of Home Economics, and Mrs. Anne M. Clemmons, assistant professor in Home Economics, attended a meeting conducted by the State Board of Health Tuesday, May 15 at Nazareth College in Louisville, Ky.

Dr. James Hundley, chief of metabolic research at the National Institute of Health in Bethesda Md. discussed, "Diet in Relation to Heart and Circulatory Disease" at the meeting.

The retiring Home Economics Club Council members gave a picnic Wednesday, May 16 for the new officers of the Council.

The purpose of the picnic was to acquaint the new officers with their jobs.

Army and Air Force ROTC units will participate in the Armed Forces Day parade tomorrow. Maj. Olaf W. Christopherson, associate professor of Military Science, said.

The two units will be organized as a brigade, with Cadet Col. Douglas A. Lawhorn, Army ROTC commander, leading the combined forces, Maj. Christopherson said.

The cadets are to leave the campus at 9:10 and march to Southeastern and Main streets, where they will join other units of the parade. The cadets, Maj. Christopherson said, are official representatives of the University.

The Alumni Association will sponsor coffee hours for students and faculty members from 9:30-11:30 a.m. and from 2-4 p.m. May 29 through June 1 in the Music Room of the SUB.

Coffee, cokes, and cookies will be served alumni wives of faculty members.

The Student Union Board will sponsor a tea in honor of graduating seniors immediately after the Baccalaureate address Sunday, May 27.

New and retiring members of the board will preside at the tea which will be held in the Blue Grass Room of the SUB.

All graduating seniors, their parents and families, staff, and faculty members are invited.

The present Student Union Board members are Betsy Patterson, Spanky Glenn, Nancy Boggs, Marlene Begley, and Janice Gover.

The traditional Junior-Senior Breakfast will be held at 8:15, Sunday, May 20, in the Student Union Cafeteria.

Junior girls entertain all senior girls in residence at UK at the annual breakfast which up to this year was held in the Jewell Hall Dining Room. A surprise skit will be presented.

Triangle Wins Close I-M Track Meet

By TOM WHITE

Triangle captured the closest intramural track meet in years as only ten points separated the first five teams.

Triangle finished the meet with 28 points followed by ATO in second with 26 points. SAE (23), DTD (20) and PKT (18) rounded out the top five.

John Snyder of Triangle won the 660 yard run and Triangle also took the 880 yard relay during the Spiked Shoe Relays. These wins coupled with second and third place finishes in the 100 and 220 yard dashes gave Triangle the victory.

Arthur Somers (ATO) and Bill Blount (PKT) were the individual stars of the meet. Somers won the Broad Jump, 100 and 220 yard dash. Blount captured the javelin and discus throws.

Jim Baxter (SAE) finished second in the javelin and discus events and Warren Deatrick (TRI) finished second in the 100 yard dash and third in the 220 yard dash for outstanding performances in the meet.

Edmund Geschickter (PKT) won the high jump with a leap of 5'5". John Hardwick (SAE), last year's winner, finished second and Don Lennartson (DTD) came in third. Delbert Baker (DTD) and Phillip Lee (ATO) tied for fourth in the event.

Bill Blount threw the discus 117' 2 1/2" for the winning heave. Jim Baxter (SAE) finished second and Michael March (SPE) finished third. Phil McIntosh (DTD) came in fourth.

Richard Handmaker (Ind) won the 12 pound shot put 45' 3" to outdistance Carl Blankenship (DTD) for the victory. James Flynn (KA) finished third and Michael March (SPE) finished fourth.

John Snyder helped lead TRI to victory by winning the 660 yard run. Following Snyder in the close race was Burke Terrel (DTD), Alvin Gray (SAE) and William Eaton (SAE). Snyder's winning time was 1:41.5.

Arthur Somers (ATO) captured the broad jump for the second straight year with his leap of 20' 10". Finishing second was Don Lennartson (DTD) and following in third and fourth respectively were John Rigby (PDT) and Franklin Hibbs (TRI).

Somers won his second victory of the meet as he finished first in the 100 yard dash. He ran the 100 yards in 10.8 after posting a qualifying run of 10.4. The intramural record is 10.3 for the 100 yard dash. Warren Deatrick and Franklin Hibbs, both TRI's, finished third and fourth behind Somers.

Somers was crowned champion for the third time as he won the 220 yard dash. Hibbs and Deatrick again finished behind his time of 25 seconds for the run.

Elbert McAfee (SN) captured the 120 yard low hurdles in 15 seconds flat. Phillip Lee (ATO) finished second and Jon Collier (SPE) came in third.

Blount won the javelin throw for his second victory of the meet. Jim Baxter (SAE) and Jack Martin (SAE) finished behind Blount's throw of 140 feet 1 1/2 inches.

The first three counties in Kentucky were Jefferson, Lincoln, and Fayette.

Tennis, Golf Teams Suffer Setbacks

Kentucky's tennis and golf teams went from one extreme to the other about losing in their matches this week.

The Cat netmen lost a tough one to Georgetown by 5-4, but the golfers were easily defeated by the Tennessee Vols 15 1/2-2 1/2.

In the tennis match, the Cats were only able to win two singles matches. These wins were turned in by Pete Pope and Pete Schrider, the No. 5 and 6 men for Kentucky.

UK captured two of the doubles events with their No. 1 team of George Carey and Art McCarty winning easily, and their No. 2 team surviving a three set struggle.

The Wildcat golfers will play the Bearcats of Cincinnati this afternoon in Lexington. After today's match, three more encounters are left for the linksters.

The Hampshire breed of sheep was brought into the U.S. in 1836.

There are over 200 breeds of sheep in the world.

There are 25-30 breed of sheep in the United States.

Tracksters Compete In SEC Meet

By ROB SMITH

The Wildcat tracksters will close their season this weekend at the annual SEC meet in Birmingham, Ala. Coach Don Cash Seaton will lead the best of the varsity and freshmen teams into competition.

While not given too much chance to figure highly in the final results, the Cats can make their presence felt in several of the track and field contests. Florida and LSU are picked as favorites in a meet that will feature the best stars in the rapidly improving track world of the SEC.

Dave Franta will be Kentucky's main weapon down south and should compile a number of points for the Klittens. He is ranked number one man among freshmen pole vaulters and second in the entire conference. Franta is second in the conference in the broad jump, having leapt 23'8" this year. He is second among freshmen in the 220 yd. dash and sixth in the conference on the basis of a 21.7 mark.

Ray Blasingame, sophomore from San Diego, Calif., and currently nursing a pulled leg muscle, is eighth among the low hurdlers with a 24.9 mark. Carpenter of LSU is first with a 24.9 effort.

Other Kentucky thinlies ranked among the SEC contenders are Billy Mitchell who is third among the high jumpers and holds the UK record with a 6'2 3/4" leap, and Lou Michaels, eighth among the shot put men, hitting 47 feet twice this season.

Besides Franta, Blasingame, Mitchell and Michaels, UK will have Jim Ingram, Dayton Matlick, Ray Mills, Buddy Goins, Paul Sloane and Dave Rhodahoffer as probable entrants.

The Wildcats found the going rough last weekend, getting thumped Friday by Cincinnati 90 2/5 to 36 3/5 on Stoll Field, and finishing second Saturday to Hanover College in a quadrangular

Thinlies' Main Hope

Billy Mitchell, ace dash man of the Wildcat track team, is one of the leading contenders in this weekend's SEC track meet. Billy excels in the 100, 220 yard dashes and the high jump.

meet 117 to 62.

Lou Michaels, heaving the shot against the Cincinnati Bearcats, erupted for a 47' put to break the UK record for the third time this spring. The previous mark was Michael's 46'9 3/4" set against Western and Eastern.

Against the invaders from the Queen City, Billy Mitchell once again set the pace for the Cats, collecting 13 points. The thinlies' top scorer won the high jump with a 5'11 3/4" leap and ran the 100' dash in 10.1 for another triumph. He notched three additional points by finishing second in the 220.

Kentucky was hurt by the injury of Blasingame. The San Diego hurdler pulled a leg muscle running the third lap of the 880' relay and had to sit out both hurdle races.

Jim Ingram took up some of the slack for the Wildcats and captured the high hurdles in 16.2.

Against Hanover, Coach Seaton's charges showed some of the effects from competing in three meets within a week. They never did manage to move within close contention with the Panthers, but finished ahead of Berea and Franklin who scored 30 1/2 and 10 1/2 points respectively.

Kentucky was able to pick up

Wildcats Win Season's Finale, Grawemeyer Goes Distance

By BO GRIFFIN

UK's varsity baseball team won their final game of the season by defeating Eastern last Saturday 6-1.

The Cats were able to collect only two hits in the contest but took advantage of Maroon miscues to wrap up the victory.

Cookie Grawemeyer went the distance for Coach Harry Lancaster's nine and picked up his second victory of the season against six losses.

Two free passes, two errors, and a single by Gerry Calvert produced three runs for Kentucky. The other three runs came as a result of an error and a pinch-hit double by Jack Rigby.

Ron Pellegrino, who retired after 2 1/3 innings was the losing pitcher. He was replaced by Jim Kiser, who after allowing Rigby to double, retired 19 straight batters.

The lone run for Eastern came in the sixth when John Sebestripled to score Angus Begley.

For Kentucky, the victory marked their fourth win of the season.

only two firsts as the host Hanover Panthers won 13 victories in the 15 events contested.

Tom Jones won the pole vault for the Wildcats, reaching a height of 12' to best his rivals. Billy Mitchell netted Kentucky's other win by scoring in the 100' dash, timed in 10.1.

With the exception of the SEC meet in Birmingham, Ala. this weekend the UK thinlies have wound up the regular season with a 2-5 won loss record in dual, triangular and quadrangular competition. Scored separately against all faced in these meets they compiled a 5-5 mark including a win over Tennessee.

compared with 18 losses. Twelve of these losses were suffered at the hands of SEC foes while the Cats managed to win only one game within the conference, defeating Tennessee, 12-11.

This season UK scored 98 runs while their opponents scored 211. Their batting average was a meager .216 and the fielding average was .904.

Catcher Jim Morris was the leading hitter on the club with a respectable .347. Morris was also second in the runs-batted-in department with 11. He was the only regular to compete in all the games.

Gerry Calvert, center-fielder, was the leader in the RBI department

with 14 and hit two home runs to also lead the Cats here. Calvert, who competed in 18 games batted .288.

Thus, after suffering one of their worst years in the baseball wars, the Cats and Wildcat rooters can look forward to next year which should be a successful one.

Coach Abe Shannon has some fine prospects on his winning freshman team and these athletes should strengthen next year's team considerably and start Kentucky back on the victory trail.

Bicycle Race Monday

The annual intramural bicycle race will be run at 4 p.m. Monday on the Stoll Field track.

The race is a relay affair with each team having five riders who will circle the track 30 times.

Twelve fraternities have entered the event and will seek the crown won by SN last year.

Pre-Season Grid Poll Honors Kuhn, Michaels

Kentucky's Dave Kuhn and Lou Michaels were honored this past week by the Birmingham News in their annual poll predicting the top SEC teams and individual stars for the coming football season.

The 12 schools in the SEC picked the 1956 pre-season all-SEC first and second teams. At the center position on the first team is next year's Wildcat co-captain Kuhn. Michaels was placed at one of the tackle positions on the second team.

UK's two most promising all-American candidates also were highly recognized in the "specialists poll."

Kuhn, who has lettered the past three seasons while performing for the Wildcats, was named the finest linebacker in the SEC.

Michaels, a junior, was second behind Earl Leggett, LSU tackle, in both the best offensive and defensive linesman polls. Lou also

was named the best fullback. Ronnie Quillian of Tulane as the SEC's best punter.

Who did the poll place as the team favorite for the 1956 grid crown? The Yellow Jackets of Georgia Tech, and by a runaway majority.

The men of Coach Bobby Dodd received 114 votes to 97 for runner-up Tennessee. The Rebels of Ole Miss and the Plainsmen of Auburn were picked for third and fourth in next season's title race.

Coach Blanton Collier's Wildcats were picked to tie with Vanderbilt for fifth place honors. Collier and his men face one of the school's toughest schedules next year including all of the top five teams in the pre-season SEC poll.

The Wildcats tangle with talent loaded Georgia Tech in the season's opener on Stoll Field next fall, a game that will be televised from coast to coast.

JOE DAWSON

JIM HOST

Dawson, Host, Bright Stars In Cat Future

By SCOOP WHITE

Joe Dawson and Jim Host have a lot more in common than being the first recipients of baseball scholarships at Kentucky.

The two leading hurlers for Coach Abe Shannon's fine freshman team are the bright spots in the rebuilding of future Wildcat baseball teams.

Both boys are strong, weighing 175, but Host, at 6-3, towers over Dawson by three inches. Both are righthanders with good records.

Thus far this season Host has marked up a 4-0 record and Dawson a 6-1 mark.

Both have great respect for one another's talents on the pitching mound.

Here is what Host thinks of Dawson's form: "He is the best I have ever seen for his age. He's as fast as anybody when he wants to be. Also he hits the long ball, but is not what you would call a good average hitter."

Dawson says this of Host. "He has a real good fast ball, and excellent control; he can throw the ball real hard all the time."

The high school records of Joe and Jim are filled with success.

In Dawson's first high school game, he had a perfect day going with him until the last inning when, as he describes it, "the wind kept blowing my hat over my eyes and I walked a man." But Joe still had a no-hitter in his first high school game, a feat many pitchers never achieve in an entire career. Joe attended Louisville Manual and during his three years there the Crimsons won 70 and lost 13.

His senior year was the big one. He went undefeated on the mound while capturing 11 games. The year was climaxed by Manual's winning of the city, district, regional, and state baseball championships.

Dawson pitched all three games in which the Crimsons participated in the state meet.

Host played four seasons for the Ashland Tomcats. Like Joe, Host's senior year was his best as he led the Tomcats to the state tournament at Louisville's Parkway Field for the first time in eight years.

But they were knocked out of the championship picture early as Central City, led by their basketball star, Corky Withrow, defeated Host and his Ashland mates 3-2 in the first round.

After graduating from high school, Joe and Jim were approached by many professional and college scouts.

Joe was talked to by representatives of Georgia, Georgia Tech, Indiana, Louisville, and UK. He chose Kentucky because he wanted to go to a home state college.

Concerning pro offers, Dawson has had them from all major league teams except Milwaukee and Pittsburgh.

Host was approached by southern colleges, but seemed headed for Eastern State College before receiving his UK grant-in-aid. Jim also had feelers from several pro clubs.

Vacation time in the summer means more pitching experience for this pair. This summer Dawson will be pitching his third straight season in the strong Louisville Amateur Baseball Federation league.

Last summer Host gained needed experience as he pitched for the Kentucky state semi-pro champions, Yates Coal Company of Ashland. The team went on to the national tourney at Wichita.

Both boys expressed the view that in two years from now the

ATO, Newman Enter Finals Undefeated

ATO and Newman Club remained unbeaten as they reached the finals of the fraternity and independent softball tourneys.

ATO downed SAE 9-4 in a battle of undefeated teams last week. Clutch hitting by ATO turned the tide in the contest. ATO also capitalized on SAE errors in the hard fought contest.

Newman Club will play the winners of the Men's Dorm and Civil Engineer semifinal match for the Independent championship. Results of this game were not available at press time.

Civil Engineer hitters went wild as they downed BSU 19-10 in a game played Wednesday evening. BSU opened the slugfest by scoring six runs in top half of the first inning.

The CE's rebounded by scoring five in their half of the first and followed this up by pouring ten more across the plate in the second frame.

SAE bounced back after their loss to ATO by clubbing PKA 13-5 in the fraternity semifinal game. SAE was led by the hitting of Jim Baxter and Jack Martin. Baxter hit two consecutive home runs and Martin hit one four bagger.

TIPS ON TOGS

By LINK

IT'S A FACT — More and more fellows are wearing straw hats today than ever before, and the reasons are simple — today's straw hats are smarter looking in design and colors—the textures are lighter in weight and retain their shapes — fair weather or foul. When you have an occasion that calls for dressy attire, your summer outfit (no matter how much thought or money was put into it) does not look complete without a straw hat. Since the bands on straws are changeable, you can achieve some sharp effects by matching them with your ties or blending them with your shirts—which ever way you prefer. The next time you see a person you consider smartly turned out—notice that he is wearing a hat!

WAIKIKI — (And I do not mean the famous beach) — I am talking about a very good looking and practical beach robe of white terry cloth, fashioned in the "Far Eastern" manner — cardigan neckline and kimono sleeves—which allows you plenty of freedom for lounging. A beach robe comes in very handy when the air has a little chill to it and one made of terry cloth is perfect — very absorbent and completely washable.

WING-DING — The "Sigma Alpha Epsilon Fraternity" had a real wing-ding last Saturday at the Phoenix Hotel. All dancers should have been satisfied — two bands (a real battle of music) my old friend "Clyde Trask" and his band from Cincinnati, and "Poppa John's" group from Nashville — man the old convention hall was really "Rock N' Rollin'". Everyone looked very keen in their summer tuxedos. Want to thank the fellows for the invitation to cover their dance. I had a fine time. Next week I'll tell you about the "Sigma Nu" party — so until then — when you are down town — drop in say hello.

So long for now.

Kitten Nine Breaks Even During Week

Joe Dawson broke even this past week in his pitching efforts as the Wildcat freshman baseball team defeated Lafayette 12-6 Saturday and lost to Eastern 6-2 Wednesday.

By downing Lafayette the Kittens won their tenth game of the season against one loss and it was Dawson's sixth victory.

Righthander Jim Host started for the Kittens but Dawson relieved him in the fourth inning. Host was nicked for four runs before Dawson relieved him. The Generals scored two more off Dawson in the fifth but he settled down to shut them out the rest of the way.

The Wildcat hitters really started to roll in the bottom of the fifth as they tallied seven runs. After this explosion Dawson protected the Kitten one run lead the remainder of the contest.

George Hicks, Doug Shively and Gene Smith were the hitting stars for Coach Abe Shannon's nine.

Dawson suffered his second loss of the season Wednesday as the Kittens lost to the Eastern Maroons.

Going the entire route Dawson gave up only six hits but his teammates committed four errors which cost him his seventh win.

Eastern wrapped up the game in the fifth inning as they pushed across three runs on the Kittens. Vince Lococo paced the Wildcat attack with a pair of doubles.

The Kittens ended their season yesterday with the second game of the series against Eastern. Jim Host was to pitch the finale.
